DESMOND OHIOWELE, MD
FOUNDER & CEO
PLATINUM ATHLETIC COLLECTIONS

A visionary leader, entrepreneur, and brand architect dedicated to building more than clothing—building a legacy. With a passion for excellence, innovation, and purpose-driven design, he founded Platinum Athletic Collections to set a new standard in athletic luxury and empower individuals to look, feel, and perform their best.

OUR BRAND STORY

BUILDING BRANDS. CREATING LEGACIES.

Every day, customers spend countless hours searching for the right fit, the right size, the right color, and the right price—only to end up with overpriced clothing that often fails to meet their expectations despite carrying a luxury label.

At Platinum Athletic Collections, we provide a one-stop solution to the frustration of modern shopping. We are committed to delivering exceptional quality, superior comfort, and exclusive designs without compromise. From our premium hoodies and varsity jackets to our tracksuits, sweatshirts, and casual athletic wear, every piece is crafted with attention to detail and built to exceed expectations.

Founded in Seattle, Washington in 2019, Platinum Athletic Collections was established with one simple goal: to meet and exceed the shopping expectations of every customer. Our apparel is designed to offer a tailored feel across a wide range of sizes, creating the confidence and comfort of a custom fit.

Whether you're pushing your limits in the gym, enjoying a casual day out, traveling, or meeting friends on a cool evening, Platinum Athletic Collections offers versatile styles designed to complement your lifestyle.

The name PLATINUM was carefully chosen to represent rarity, prestige, strength, and excellence. Like the precious metal itself, our brand embodies an elite standard. The atomic number of Platinum is 78, represented in Roman numerals as LXXVIII—a signature symbol that appears throughout our collections and serves as the foundation for many of our exclusive design elements.

At Platinum Athletic Collections, we believe fashion should be more than clothing—it should be a statement of confidence, individuality, and ambition. We invite you to experience the difference and discover the collection that fits your style, your standards, and your lifestyle.

THANK YOU FOR CHOOSING
PLATINUM ATHLETIC COLLECTIONS

“ If they don't meet your expectations, we will. ”
